ANNOUNCEMENTS & UPDATES

First, to all of our new cadets, welcome! We are glad you chose to join us! If you have any questions, feel free to reach out.

WEEKLY MEETING HIGHLIGHTS

This week's meeting consisted of a NCSA Discussion and Drill. C/CMSgt Waldron and C/SrA Bass provided overviews of NCSAs (National Cadet Special Activities) recently attended.

- C/CMSgt Waldron attended the AFCEA (Air Force Civil Engineering Academy) at the Tyndall Air Force Base located in Panama City, Florida. This event aimed to give cadets a chance to learn about careers in the United States Air Force in the field of civil engineering. Cadets in this NCSA received a combination of classroom education and hands-on activities.
- C/SrA Bass attended the SUPT (Specialized Undergraduate Pilot Training) hosted by the Laughlin Air Force Base in Texas. This NSCA is excellent for those who want to have a taste of the Air Force lifestyle. C/SrA Bass will be leaving the 399th squadron to pursue a career in aviation. We will miss C/SrA Bass and wish him all the best for his future endeavors.
